What is Kosherswitch®?

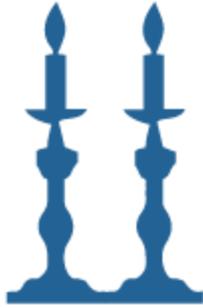

Kosherswitch® is innovative patented technology permitting the on-demand control of electricity on Shabbat, while making Sabbath desecration (*Chilul Shabbos*) impossible! Kosherswitch® is endorsed by leading Poskim & Orthodox Rabbis for use *l'chatchila*

(ab initio). The KasherSwitch® Classic wall switch pays for itself by curbing wasted electricity, and is easy to install/use without programming (just wait for a green Status Light and flick the switch).

Anyone who's observant experiences difficulties with electricity on Shabbat. Our founder, Menashe Kalati, leveraged his 25+ years in technology expertise to create techno-religious solutions that enhance the observance and enjoyment of Shabbat & holidays. After years of rabbinical consultations, R&D, and safety certifications, KasherSwitch® is finally here. And you can take part in making it a reality... Together, we can improve the world, one KasherSwitch® at a time!

Why KasherSwitch®?

KasherSwitch® brings significant value to consumers and to institutions (houses of worship, hotels, hospitals, nursing homes) that deploy the technology as a value-adding amenity for their guests.

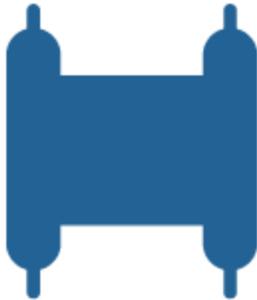

SHABBAT ENJOYMENT

- 💡 YOU decide when and where lights go on or off, not your timer!
- 💡 No need to try and predict when and where lights are required on Shabbat and Yom Tov.

SHABBAT OBSERVANCE

- 💡 Patented *un-grama*™ technology makes both accidental and intentional *Chilul Shabbos* impossible.
- 💡 No confusing programming makes Sabbath observance easier.

HALACHIC

- 💡 Endorsed by leading *Poskim* & Orthodox rabbis for use *l'chatchila (ab initio)*.
- 💡 In-depth Halachic resources available at www.KosherSwitch.com.

SAVINGS / BAL TASHCHIS

- 💡 Pays for itself in electricity savings.
- 💡 Curbs energy waste and is environmentally-friendly.

Endorsed by leading Poskim & Orthodox Rabbis

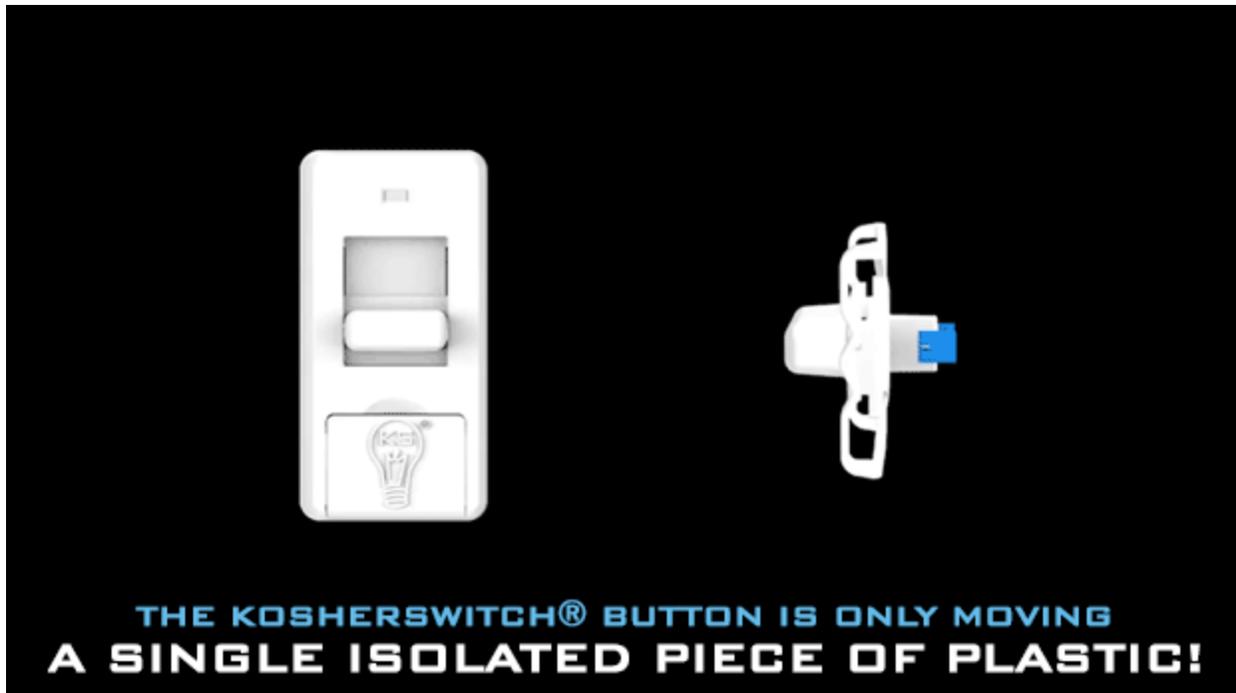

Validating the Halachic permissibility for KosherSwitch® has always been our primary objective. During years of development, we've been privileged to consult with many Torah giants, who have analyzed, endorsed, and blessed our technology and

endeavors. Some have even provided crucial guidance on key design elements! More details are available on our website: [Endorsements](#) / [Respona](#) / [Lectures](#).

KosherSwitch® Technology: How Does it Work?

Like many inventions, KosherSwitch® technology employs simple concepts to provide indispensable benefits. Our technology employs complete electro-mechanical isolation, and adds several layers of Halachic uncertainty, randomness, and delays, such that according to Jewish law, a user's action is not considered to have caused a given reaction. Many Poskim & Orthodox rabbis have ruled that the KosherSwitch® is not even considered *grama* (indirect causation), involves *nomelakha* (forbidden/creative act), and is therefore permitted for consumer use. When "flicking" a KosherSwitch®, all we're doing is moving a single, isolated, piece of plastic! More details are available on our [website](#).

You Share Us & We Share CASH (or switches)!

We value our backers tremendously, but funding is not the only way to help make KosherSwitch® a reality. We need lots of help spreading the word, and will thank you with more than a simple "thank you." With our REFERRAL REWARDS, you'll earn 10% in cash or 15% in KosherSwitch® credits for funding that is received through your unique referral link.* It's really simple -- no applications or setup needed.

1. Create an Indiegogo® account or back the KosherSwitch® campaign on Indiegogo® to create an account automatically.
2. Sign in to your Indiegogo® account (already done if you just backed us).
3. Use the sharing links on the KosherSwitch® campaign page to copy/post your unique referral link. Your social networks are a great start, but getting creative via emails, WhatsApp groups, texts, etc. will give you broader reach and increase your earned rewards.
4. Track your progress. Click: Your username at the top right of the page > My Profile > Referrals. Watch your REFERRAL REWARDS grow as you share your unique link.

* By participating in our Referral Rewards program, you agree to be bound by the Program Terms & Conditions stated [here](#)
