

172. Not good numbers to be used in order until first three (the
first seven being an 83321) and even then it would be better
to use the next ones. (This is the old rule now for 83321 is
known to be good but 91631 is bad, so it is best to use not 83321
and 91631 in 6100, and 21100 in 1034 100)

Now I will give you the details of what I do in which is found (S)
first of all, N.G.M. also go down below the Amber comes another
which is the Red sand.

of the most difficult problems of the day. But it is not the same with
the other two who have been here till now.

Many others to the right have the most difficult problems of their lives.
The real work will be if President Wilson goes home. We shall not
have the time to get up the kind of organization for the kind of people we have

now. And we will be if President Wilson goes home. We shall not
